ORDER:

It is the case of the petitioner that he made a written intimation, dated 17-03-2007, addressing to the 1st and 2nd respondents herein and the said written intimation was received in the office of the 1st respondent on 20-03-2007, but the same has not been received by the 2nd respondent. Therefore, he is constrained to file this writ petition seeking a Writ of Mandamus for declaring the action of the respondents in not considering the said representation made by him as illegal and arbitrary.

From the material available on record, there is no proof of submission and refusal of the said written intimation by the 2nd respondent, as contended by the learned counsel for the petitioner. Admittedly, the said written intimation has been received in the office of the 1st respondent on 20-03-2007. Therefore, it is just and proper to direct the 1st respondent to forward copy of the said written intimation to the 2nd respondent for taking appropriate action in accordance with law.

Accordingly, the writ petition is disposed of directing the 1st respondent to forward copy of the written intimation, dated 17-03-2007, received on 20-03-2007, to the 2nd respondent for taking appropriate action in accordance with law. There shall be no order as to costs.
